

Become a Cycle Friendly Employer and discover a Healthier, Greener, and More Connected Chesterfield.

What Cycle Chesterfield Offer:

- **Cycle-Friendly Employer Accreditation Support:** Gain recognition as a workplace that supports cycling! Encourage employees to cycle to work and reduce your organisation's carbon footprint.
- **Environmental, Social, and Governance (ESG) Benefits:** Show your commitment to sustainability and responsible governance by integrating cycling into your ESG strategy. Cycling supports community well-being and environmental stewardship.
- **Cycling Events & Workshops:** Join our regular rides, festivals, and maintenance workshops (Dr Bike) organised via Inclusive Pedals.
- **Community engagement activities and cycle infrastructure campaigning.**
- **Bike-Friendly Routes:** Explore Chesterfield's beautiful, cycle paths designed for all skill levels.

Why Choose Cycling?

- **Better Health:** Stay fit and energised by incorporating cycling into your daily routine.
- **Sustainable Living:** Cycling helps reduce greenhouse gas emissions and air pollution.
- **Cost-Effective Travel:** Save money on fuel, parking, and public transport.
- **Stronger Communities:** Connect with fellow cyclists and make new friends while enjoying Chesterfield's vibrant surroundings.

Aligned with the Sustainable Development Goals (SDGs):

- **Goal 3:** Good Health and Well-Being – Promoting active lifestyles and mental wellness.
- **Goal 7:** Affordable and Clean Energy – Bicycles are an energy-efficient mode of transport that reduces reliance on fossil fuels.
- **Goal 11:** Sustainable Cities and Communities – Supporting sustainable urban mobility and community engagement.
- **Goal 13:** Climate Action – Reducing carbon emissions through eco-friendly travel.
- **Goal 15:** Life on Land – By reducing air and noise pollution, cycling helps protect ecosystems and biodiversity.
