Secretary Report (MF)

Spire CC are celebrating 150 years this year and would like a short newsletter article and some joint promotion

The Ben Vernon charity ride is stopping after finishing on a high last summer. Nigel and Bev will prepare an article for the newsletter

Ayup Bikes in Derby are holding a Festival, cycle group promotion on 18/4/26 and would like us to be involved with a stall. AM and possibly SS expressed interest

Treasurer Report (IM)

Balance £3821 with approx £540 of recent subscriptions.

Membership report: (SS)

Current total 240 but still 25 of these to renew. Some of these are family memberships so if all don't renew numbers will be close to 200

Planning Report (AM)

AM outlined the recent number of HMO applications virtually all included bike storage/parking

Factory Street care home application approved – small section of shared path on Factory St seems superfluous

Bridge Inn, 3 storey flats application next to Hollis Lane

NEDC old building on Psaltergate application to convert to apartments

Social Media Report / Website (DS)

Plan to revamp and update website with easier to use interface and themed buttons / links. This was supported by committee. DS will progress this over this year and will share ideas.

ITEMS

Objectives

AM to organise meetings with key stakeholders for Waterside and Avenue – no update

Cycle Audit – complete – will be shared with relevant committee for feedback

Cycle Friendly Employers – lots of emails sent. No definite applications. Plan to focus on small number of key employers

Newsletter

Relaunch in March. Committee asked to supply specific items for this.

Calendar / Community Cycle Club

Rides calendar outline circulated to leaders. Sharon will look at Womens only rides for 2nd Sat of each month from March or April

March Members Meeting

Alan Simpson, Active Travel Ambassador will be coming to StThomas for our March meeting. Need to put together a short presentation on what we do and prepare some key questions for Alan. Publicity to go out in next 7 days

Any Other Business

- TH and DS both mentioned the state of the pathways on Goytside and Factory St and need to report to DCC Faults. General view that the Fault Reporting system was poor
- Gc and AM talked about 2 schools in Staveley being engaged about safer routes to school and options to progress with community support

Next meeting will be in person Members Meeting on 10th March at St Thomas Church Centre, Chatsworth Road at 7pm
